THE CLUB

A private world on the Rock

The Riv is Monaco's members-only social club, an inner circle where the Riviera's most interesting people meet, do business and are looked after. Named in homage to the glamour of the French Riviera, it is a place to belong: a lounge and coworking salon by day, a stage for the season's finest evenings by night, and a concierge that makes Monaco effortless all year round. Membership is strictly by application and reserved for a select few.

The Network

A curated circle of founders, executives, athletes and collectors, with introductions that matter.

The Calendar

A year-round programme of dinners, galas, Grand Prix and yacht-show hospitality, and private viewings.

Business by Day

A members' lounge and coworking salon on the Rock, meeting rooms and a direct concierge line.

Members' Privileges

Priority tables at Monaco's Michelin restaurants, VIP matchdays, and reciprocal access to partner clubs worldwide.
